- Self-discipline
- Analytical thinking
- Team management
- Mentorship and communication skills

LANGUAGES

- Ukrainian - Native
- English - Elementary (A1)

OLEKSANDR SULYMA

Fullstack Developer

SUMMARY

Fullstack Developer with hands-on experience building React/Next.js and Node.js applications. Completed an 872-hour Fullstack Development program at GoIT. Skilled in REST API development, authentication, role-based flows, responsive UI, deployment, and automated testing.

PROJECTS (FULL-CYCLE DEVELOPMENT)

Nanny Services — Fullstack Childcare Booking Platform | 2026

[GitHub](#) | [Live](#)

Fullstack platform for finding nannies, managing favorites, booking appointments, and leaving reviews.

Key achievements:

- Built a Next.js + Express + MongoDB application with parent and nanny roles
- Implemented appointment lifecycle: booking, accept/reject, cancel, complete, and review
- Added profile management, Cloudinary avatar uploads, favorites, and protected routes
- Documented REST API with OpenAPI/Scalar and covered backend/frontend flows with Vitest tests
- Deployed frontend to Vercel and backend API to Render

Delivery App — Fullstack Food Delivery Platform | 2026.

[GitHub](#) | [Live](#)

Fullstack e-commerce application for food delivery with cart management, checkout flow, and promo code system.

Key achievements:

- Implemented full user flow: catalog → cart → checkout → order history
- Built persistent cart (Zustand + localStorage)
- Developed REST API with authentication and validation
- Implemented promo code system with TTL and single-use logic

NoteHub — Secure Notes Management Application | 2026.

[GitHub \(FE\)](#) | [GitHub \(BE\)](#) | [Live](#)

Fullstack notes application with authentication, CRUD operations, search, and protected routes.

Key achievements:

- Implemented authentication flow (JWT, refresh tokens, HTTP-only cookies)
- Built Notes API with CRUD, filtering, and pagination
- Added file upload functionality (Cloudinary)
- Implemented UI caching and synchronization (TanStack Query)
- Added draft auto-save functionality (Zustand)

WORK EXPERIENCE

Sales Representative» | LLC “LITIZ” | 10/2024 – Present

- Client communication and negotiation
- Sales process support and development

Military Service | Leadership Positions | 03/2014 – 09/2024

- Team and process management
- Task delegation and performance control
- Training and mentoring personnel
